C.StrategyforAddressingNeeds

 $\label{lem:provideabriefdescription} Provideabriefdescription of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the provide abrief the provided by the provi$

The PHA will aggressively seek to turn around units that become available to insure that those on the waiting list will be therefor a shorter period of time. The PHA will continue to determine advance eligibility of applicants to insure shorter waiting time when units are available.

(1)Strategies

Need: Short age of affordable housing for all eligible populations
